

Born in Cagliari (Italy) 30/05/1977

Graduation in Medicine and Surgery at the University of Cagliari 23/10/2002, with points 110/110 cum laude

Specialization (Postgraduation) in Obstetrics and Gynecology at the University of Cagliari 14/11/2007, with points 50/50 cum laude

Stage from January to July 2007 in the **Division of Gynecologic Endoscopy** directed by Dr. Alfonso Rossetti and Dr. Ornella Sizzi **at the "Villa Valeria" Hospital, in Rome**

Internship in Gynecologic Endoscopic Surgery at the Centre Hospitalier Universitaire -Université d'Auvergne Clermont - Ferrand I, directed by Prof. Gerard Mage, from 20 September 2007 to 30 April 2008 in Clermont -Ferrand (France)

Internship at the CICE (Centre International de Chirurgie endoscopique), directed by Dr. Revaz Botchorishvili, from 20 September 2007 to 30 April 2008 **in Clermont -Ferrand (France)**

During this period, activity as a teacher during all the courses organized by the CICE (Centre International de Chirurgie endoscopique), as a tutor - instructor for the practical work on pelvic -trainers, simulators and animals.

Participation at the European University Diploma of Operative Gynaecological Endoscopy, organized by the CICE (Centre International de Chirurgie endoscopique) in collaboration with 10 other universities in Europe, **held in Clermont -Ferrand (France)**, in two weeks of theoretical lectures and practical exercises on pelvic trainers and animal models (pigs), from 3 to 7 December 2007, and from 21 to 25 January 2008.

European University Diploma obtained on October 3, 2008

From 5 May 2008 to 30 June 2010 Medical Manager - Obstetrics and Gynecology at the University Hospital of Parma, Unit Obstetrics and Gynecology, in particular engaged in the realization of the program of Gynecological Surgery, Minimally Invasive and Oncology, as well as the activity of doctor on call and ready availability within the Unit of Obstetrics and Gynecology

In service at Forlì Hospital, from 30/07/2010 to 29/12/2011, as Medical Manager - Obstetrics and Gynecology (Forlì Hospital Morgagni - Pierantoni).

Currently (and since 30/12/2011) Medical Manager - Obstetrics and Gynecology at the University Hospital of Cagliari (Obstetrics and Gynecology – Azienda Ospedaliero-Universitaria di Cagliari)

High specialization in Hysteroscopy and minimal invasive techniques

Adjunct Professor since January 2012 of hysteroscopy at the Postgraduate School of the University of Cagliari

Member of ISGE Board (International Society for Gynecological Endoscopy) from September 2011 to 2018 and life-membership. Representative of Board Members in the EXCO from 2018 to 2022

First Chairman of ISGE "Young Endoscopists Platform" from March 2014 to april 2017

Member of ISGE Board (International Society for Gynecological Endoscopy) 2024-2028

Member of the European Society for Gynaecological Endoscopy (ESGE) since January 2006

Member of the Italian Society of Gynaecological Endoscopy (SEGI) since 2008

Endoscopists Laparoscopic Surgeons (Italian service for accreditation in Gynaecological Endoscopy, CEG) since 2008

Reviewer for the following Journals:

Gynecological Surgery

Ultrasound in Obstetrics & Gynecology

The Trocar

Teachings in university or scientific institutes:

1. Theoretical and Practical Course of General, Gynecological, Urological Endoscopic Surgery (first ESGE-AGUI course) Cagliari 4-7 July 2007
2. Centre International de Chirurgie Endoscopique (CICE) Faculté de Médecine Clermont Ferrand (Francia), operative endoscopy 2007/2008
3. Residential training and accreditation course in gynaecological laparoscopy held at the University of Modena from 18 to 20 May 2009.
4. Course on Minimally Invasive Myomectomy Techniques, University Hospital of Parma from 12 to 13 October 2009.
5. Residential training and accreditation course in gynaecological laparoscopy of the first level, University Hospital of Parma from 17 to 19 May 2010.
6. Master Suture Casa di Cura Nuova Villa Claudia (Roma) from 7 to 8 October 2011
7. 5th Uludag Minimally Invasive Gynecology Symposium & Workshop, Bursa (Turkey) from 23rd to 26th January 2014, with theoretical and practical lectures on pelvic trainers and animal models.

8. Workshop "Diagnostic & Operative Hysteroscopy", International Centre for Minimal Access Surgery in Nairobi (Kenya) from 10 to 12 November 2014, with live surgery, theoretical lessons and practical training on trainers
9. Pre-Conference Workshop "Laparoscopic Surgery Training Course for Operating Room Technicians & Scrub Nurses, 3rd ISGE African Conference 2015, Nairobi (Kenya) 23- 26 August 2015
10. Training course in Laparoscopic Surgery, Tunis (Tunisia) from 23 to 25 February 2017
11. Lecturer at the 9th Annual Meeting SICMIG (Italian School of Minimally Invasive Gynecological Surgery), held in Cagliari on 26-27 September 2019
12. Residential Hysteroscopy Course from 19 to 26 January 2020 in Constantine (Algeria)
13. Teacher in ISGE Intensive Training Week, held in Avellino (Italy) Endoscopica Malzoni Group, patronized by University of Cagliari, October 17-22 2022
14. HysteroLab. Updates in Intrauterine Diagnostics and Surgery, 23 January 2023, Cagliari
15. Lecturer and trainer during Hysteroscopy International Congress in Timimoun (Algeria) 22-23 February 2023
16. Basic Laparoscopy and Hysteroscopy Course – Hands on Training, Lezhe (Albania), 2-3 March 2023
17. Hysteroscopy – new possibilities in the treatment of uterine pathologies 21-22 April 2023, held in Warsaw (Poland)
18. ISGE Albanian Basic Laparoscopy & Hysteroscopy Hands-on Course, held in Tirana (Albania), on 7-9 March 2024
19. Workshop Advanced Laparoscopy and Hysteroscopy Fema Health 2024, Jedda (Saudi Arabia), 9-11 May 2024
20. Teacher in ISGE Intensive Training Week, held in Avellino (Italy) Endoscopica Malzoni Group, patronized by University of Cagliari, November 25-30 2024
